Dear Business Manager/Owner:

The Cedar Ridge High School community of over 2900 students and staff needs your support! We are located in the southeast section of Round Rock. Our PTSA is an all-volunteer organization aimed at enriching the education of our students, and we are currently seeking sponsors for the 2019-20 school year.

Our PTSA supports Cedar Ridge High School with the ultimate goal of helping the children of our community receive the best education they can. We want our students to have every opportunity to thrive as a contributing member of society. During the past several years, our PTSA has helped fund and support health & wellness initiatives, art programs, community and family fun nights, career and education awareness, school staff appreciation, student membership appreciation, scholarships, and more. Funding for these programs comes from membership dues, donations, and sponsorships from local businesses, like yours.

We would love for your business to be a part of the Cedar Ridge High School community by sponsoring our PTSA! One hundred percent of the money raised by the PTSA goes toward improving the education of our students. Attached you will find all the information you need to become a sponsor. Please consider this unique opportunity to market your business and make a difference for the children in your local community.

Thank you for your consideration in supporting us this year. We value your contribution for the education of our children. If you have any questions or need further information, please do not hesitate to contact Lisa Gutierrez at [sponsorships@cedarridgeptsa.org](mailto:sponsorships@cedarridgeptsa.org).
