

# RAIDERS IN ACTION

## 2023-2024

### Honoring Students Making A Difference

Raiders in Action is a CRHS PTSA-sponsored service program that recognizes and rewards students for volunteering in the community. All students are encouraged to join CRHS PTSA and participate in Raiders in Action.

**Mission:** To raise awareness of the community's needs, encourage student service, and provide information to students who wish to serve as volunteers in Round Rock and the surrounding areas.

**Vision:** To have every student volunteer with non-profit organizations.

**Goal:** For students to give back to their community, learn they can be responsible for making great things happen, and that the time they spend can impact and make a difference.

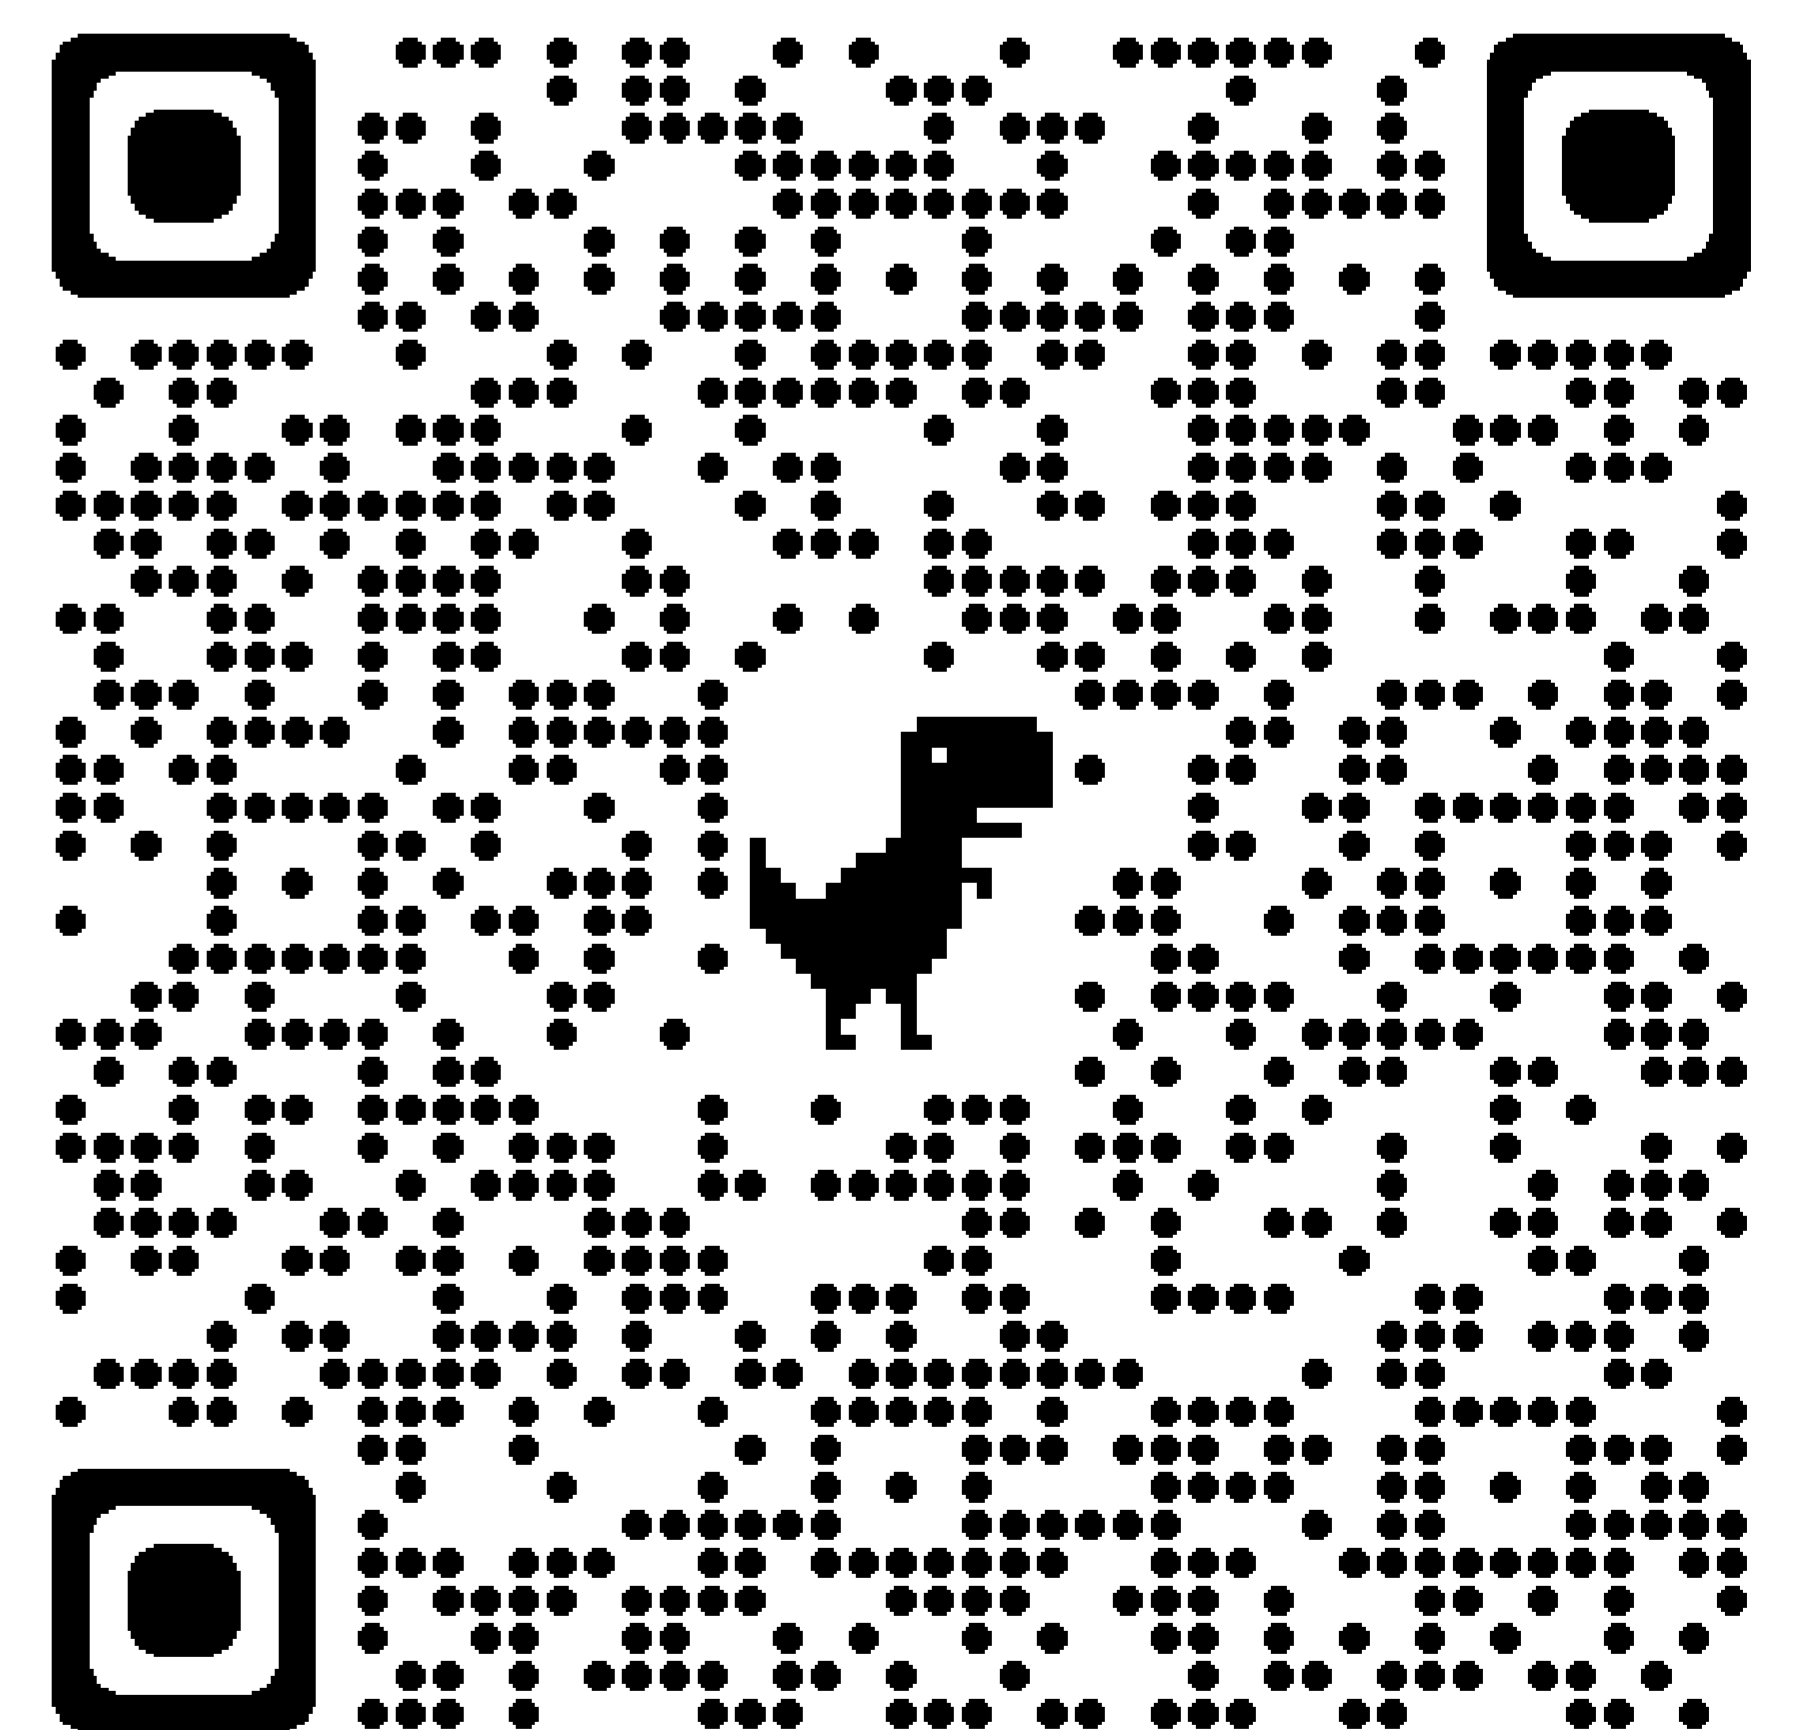

**Recognition:** Students who complete 80 hours of service, an average of 20 hours per year, will be recognized with a silver Community Service Cord at graduation.

Hours are to be submitted by July 10 for the Spring semester, September 10 for the Summer hours, and January 10 for the Fall semester.

**Contract and forms  
must be submitted online.**

**Scan QR Code to Submit**

**SENIORS: All hours must be submitted by April 1.**
